Solutions for Health, Solutions for Wealth

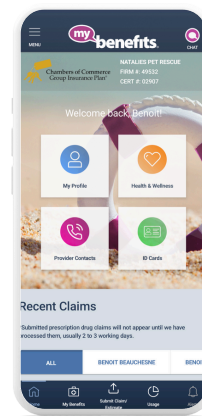

Retain top talent by considering all aspects of total rewards, including services ingrained in your employee benefit solution.

Beyond the Benefits

The Chambers Plan builds additional value into their Plans for you, your employees, and your business.

- 1 **TELADOC** - virtual medical experts at your service
- 2 **AACORA** - access to Arcora's Business Assistance Service and Healthy Business Bookmark
- 3 **pocketpills** - extra drug coinsurance on all prescriptions filled through PocketPills (excludes Quebec)
- 4 **HUGR** - build connections with others in HUGR's guided mental wellness app
- 5 **Payworks** - integrate Canada's leading payroll service into your benefits plan

Flexible Benefits at your Fingertips.

Quick and secure online access via **my-benefits.ca** or the **my-benefits application**.

MEDCAN

Benefit from our preferred pricing program with Medcan Private Health Clinics.

As a leader in the proactive health and wellness space, Medcan offers a team of medical experts including but not limited to primary care physicians, dermatologists, registered dietitians, psychologists, chiropractors, physiotherapists, and fitness trainers.

With a focus on service, Medcan offers convenient appointments, coordination of specialist referrals, and specialty tests in areas such as genetics.

Consider leveraging your partnership with HFG to offer employees services and products such as the Annual Health Assessment, various memberships, genetic testing, and more.
