

PARTNER WITH A COMMUNITY WHERE ENTREPRENEURS CONNECT

The only not-for-profit organization that supports peer-to-peer networking for entrepreneurs in Ontario, Innovators Alliance is designed for business leaders and partners who share a vision to grow profitable and sustainable businesses through a network of thought leaders, advisors, peers, and innovation resources.

Entrepreneurs Who Innovate

Our exclusive membership consists of Founders, Entrepreneurs, CEO's, Presidents and emerging senior leaders of some of the fastest growing small and medium businesses. Our Alliance consists of members from the manufacturing, technology and service sectors, with average annual revenues of \$30 million.

Partners Who Nurture Growth

Innovators Alliance sponsorship partners strengthen our entrepreneurial community. They provide thought leadership and valuable resources to the network through workshops, networking opportunities, and one-on-one connections.

Hear From Our Current Sponsors

Not only is it rewarding to provide support to Canadian entrepreneurs, we find that learning about the challenges they face helps us better serve all of our business-owner clients; whether IA members or not."

"The introductions we get through Innovators Alliance are invaluable. Our Doane Grant Thornton Chapter representatives build meaningful relationships with local entrepreneurs and we witness and assist them in conquering challenges and embracing opportunities."
